Experience

- Spring 2019 Visiting Scholar, Department of Linguistics, Stanford University
- Fall 2017 Global Research Institute Fellow, NYU Paris
- 2016–2017 Vice Dean for the College of Arts and Science, New York University
- 2013–2016 Chair, Linguistics Department, New York University
- Fall 2009 Erasmus Mundus Scholar in the European Masters Program in Language and Communication Technologies at the Free University of Bozen-Bolzano, Italy
- 2008 Professor, Linguistics Department, New York University
- 2006 Associate Professor, Linguistics Department, New York University
- 1999 Associate Professor, Linguistics Department, University of California, San Diego
- 1995 Assistant Professor, Linguistics Department, University of California, San Diego
- 1993 Postdoctoral Researcher, Center for the Sciences of Language, U. of Rochester
- 1991 Postdoctoral Researcher, Center for Cognitive Science, Ohio State University
- 1990 Research Linguist at SRI International, Menlo Park

Education

- 1991 PhD, Linguistics, University of California, Santa Cruz, under William A. Ladusaw
- 1986 BA, Computer and Information Sciences, University of California, Santa Cruz
- 1983 BA, English, Yale University
- 1979 Philips Exeter Academy, High Honors

Research specialization

Theoretical linguistics: model-theoretic semantics, philosophy of language. Research interests include continuations, substructural logic, theory of computation, scope, vagueness, definiteness, thematic relations, lexical semantics, plurals, crossover, and possessives.

Google Scholar citations

Presentations and invitations

- 2020 Invited talk, Mind and Language in Los Angeles, USC/UCLA. Rethinking Scope Islands.
- 2019 Invited conference talk. Imperative-declarative update interactions. SPAGAD-1 Speech Acts in Grammar and Discourse Syntactic and Semantic Modeling Leibniz-Zentrum Allgemeine Sprachwissenschaft (ZAS), Berlin.
- 2019 Colloquium, Department of Philosophy, CMU. Natural language imperatives as actions.
- 2019 **Keynote** address. Sinn und Bedeutung 24. Osnabrück. Rethinking scope islands.
- 2019 Invited commentary on Janice Dowell, Logical constraints on a semantics of deontic modals. Workshop on Philosophy of Language and Linguistics. CSLI, Stanford.
- 2019 Invited research talk. A precision problem for deep learning approaches to meaning. SamTalk, Samsung Research Center, Mountain View.
- 2019 Colloquium, Department of Linguistics, Stanford University. Three questions about scope, and two answers.
- 2017 Colloquium, Department of Linguistics, City University of New York. Negative Polarity as scope marking.

- 2017 Colloquium, Département Science du Langage, Université de Lille. Vagueness, indeterminacy, and update.
- 2017 LINGUAE Colloquium, École Normale Supérieure. Negative polarity as scope marking
- 2017 **Keynote** address. Workshop on definiteness, possessivity, and exhaustivity: Formalizing synchronic and diachronic connections. Societas Linguistica Europaea, Zürich.
- 2017 **Keynote** address. Logic and Algorithms in Computational Linguistics 2017. Stockholm. Parsing sluicing.
- 2017 Invited workshop presentation. For and against alternatives to classical logic. University of Jerusalem. Structural rules for natural language.
- 2017 Invited workshop presentation. Workshop on number. Inter University Centre Dubrovnik. What numerical expressions tell us about negative polarity.
- 2017 **Keynote** address, Semantics and Linguistic Theory (SALT). University of Maryland. Negative polarity as scope marking.
- 2017 Contributed workshop presentation. Workshop on contextual indeterminacy and semantic theory. Institute d'Études Avancées de Paris. Delineations, not hyperplans.
- 2016 Rutgers Philosophy evening workshop. Bound de re without descriptions
- 2016 Rutgers Center for Cognitive Science (RuCCS) Colloquium. Why NPIs?
- 2016 Invited workshop presentation. Department of Philosophy, MIT. Negative polarity as scope marking.
- 2016 Invited colloquium. Department of Linguistics, University of Chicago. Negative polarity as scope marking.
- 2016 Invited commentary on John MacFarlane. Philosophy of Language Workshop. Berkeley Philosophy Department.
- 2015 Invited colloquium. Linguistics Department, University of Minnesota. Why relational nouns make good concealed questions.
- 2015 Invited colloquium. Linguistics Department, University of Southern California. Why relational nouns make good concealed questions.
- 2015 Invited talk. New York Philosophy of Language Discussion Group. Why relational nouns make good concealed questions.
- 2015 **Plenary evening lecture.** European Summer School for Logic, Language, and Information (ESSLLI), Barcelona. The logics of scope in natural language

- 2015 Invited lecture series (3 lectures, 3 hours each). Continuations for natural language. Center for Research in Syntax, Semantics and Phonology, KU, Brussels.
- 2015 Invited workshop presentation. Workshop on Analytic Philosophy, Inter University Centre Dubrovnik. The logics of scope.
- 2015 Departmental colloquium, University of Minnesota Linguistics. How a theory of computational order of execution can help explain natural language meaning.
- 2015 Workshop on Continuations. New York University. Introduction.
- 2015 Departmental colloquium, Ohio State University Linguistics. Interpreting and parsing sluicing.
- 2015 Invited commentary on Diana Raffman. 2015. *Unruly words: a Study of Vague Language*. American Philosophical Association, Western Division. Vancouver.
- 2015 Bumford, Dylan and Chris Barker. S-circle talk at UC Santa Cruz Linguistics. Incremental quantification for adjectives of comparison.
- 2014 Workshop presentation, Sluicing as anaphora to a continuation. CREST international Workshop on Formal and Computational Semantics, Kyoto.
- 2014 **Keynote** address, The Logic of Scope. Logic and Engineering of Natural Language Semantics 11 (LENLS11), Tokyo.
- 2014 Commentary on Kate Ritchie. Collective Nouns: Polysemy and Predication. 4th Cornell Workshop in Linguistics and Philosophy.
- 2014 Workshop presentation, The linguistics of coordinated thought. Philosophical Linguistics and Linguistical Philosophy. Tarrytown, NY.
- 2014 Workshop presentation, Concealed questions are structured individuals. Philosophy of Linguistics and Language, Dubrovnik.
- 2014 Concealed questions are structured individuals. **Keynote** address, Concept Types and Frames in Language, Cognition, and Science. (CTF 2014) University of Düsseldorf.
- 2014 Workshop presentation, Comments on Chung-chieh Shan's 'The character of quotation'. Workshop on Quotation, Department of Philosophy, NYU.
- 2014 Possessive Pair Semantics. **Keynote** address, Generative Linguistics of the Old World (GLOW), Semantics workshop. Brussels.
- 2014 Defending the parasitic scope analysis of *same* against anaphoric treatments. Invited talk: Leiden-Utrecht Semantics Happenings (LUSH).
- 2014 The Logic of Scope. Colloquium: The Annual Logic Lecture. UConn Logic Group.

- 2014 Free choice permission. Invited talk, UConn semantics discussion group.
- 2014 Logic versus pragmatics for *same*. Invited talk, Berkeley Meaning Sciences Club.
- 2013 Tutorial on continuations for reconstruction. Invited seminar, four lectures. Göthe University, Frankfurt.
- 2013 Invited commentary on Matthew Stone. Discourse and Logical Form. Coordination, Collaboration and Meaning Workshop. Rutgers Philosophy.
- 2013 Sluicing as anaphora to a continuation. Workshop in honor of Arno Bastenhof. Utrecht.
- 2013 Dylan Bumford and Chris Barker. Quantifier-internal anaphora and generalized association with distributivity. Poster at Semantics and Linguistic Theory (SALT) 23, UC Santa Cruz.
- 2013 Negotiating standards. Guest speaker. Research Seminar: What are we doing when we are doing Semantics? Rutgers Philosophy.
- 2013 Negotiating standards. Guest speaker. Research Seminar on Mind and Language: Foundations of Meaning. NYU Philosophy.
- 2013 Evaluation order and binding in natural language. CoCoLangCog lunch talk. Psychology department, Stanford.
- 2013 The dynamics of taste. Joint Philosophy/Linguistics Departmental colloquium. University of California, Davis.
- 2012 Scopability and Sluicing. Linguistics Circle Talk. Linguistics and English Language, University of Edinburgh.
- 2012 Forking discourse. Invited workshop presentation. Philosophical Research Centre for Logic, Metaphysics and Epistemology (Arché), University of St. Andrews, Scotland.
- 2012 Negotiating vague standards: the dynamics of faultless disagreement. Invited workshop presentation. Workshop on Relativism, Dubrovnik.
- 2012 How to sprout. Refereed conference presentation. Semantics and Linguistic Theory 22. University of Chicago.
- 2012 How to sprout. **Keynote** address. Linguistics at Santa Cruz (LASC) annual graduate student research conference.
- 2012 Negotiating temperature standards. Invited talk. Workshop on Vagueness in Language, Reasoning, and Cognition. Institute for Logic, Language and Computation, University of Amsterdam.
- 2011 Using monads to compute multidimensional meanings. Invited symposium on Lambda Calculi, Type Systems, and Applications to Natural Language. Association for Symbolic Logic, American Philosophical Society, Eastern Division.

- 2011 Continuations, weak crossover, reconstruction. Cornell Linguistics Department & Cornell Linguistics Circle.
- 2011 Deriving some reconstruction effects in a directly compositional semantics. McGill Linguistics Colloquia Series.
- 2011 Actions. **Keynote** address, Sinn und Bedeutung 16, Utrecht Institute of Linguistics OTS, Universiteit Utrecht.
- 2011 Delayed evaluation as an explanation for various reconstruction effects. Invited workshop presentation. Workshop on Reconstruction Effects in Relative Clauses, ZAS, Berlin.
- 2011 Managing permission. Department of Linguistics Colloquium, University of Illinois, Champagne-Urbana.
- 2011 Resource-sensitive semantics: Truth is free, but permission is scarce. Linguistics department colloquium, UCLA.
